

## Electronic Recycling

Due to legislation passed in 2012 that banned certain electronic devices from landfills, Will County residents have had to utilize drop off facilities to dispose of their broken or outdated electronics.

Your Village Board is excited to announce a new program with NuWay Disposal for curbside pickup. Starting Wednesday, June 1<sup>st</sup>, 2016, **Mokena** residents can schedule a pick-up for the electronic devices listed below:

<b>Items Banned from Illinois Landfills</b>			
Televisions/monitors	Facsimile machines	Video game consoles	Digital converter boxes
Printers	Videocassette recorders	Small-scale servers	Cable receivers
Computers (desktop, laptop, notebook, tablet)	Portable digital music players	Scanners	Satellite receivers
Electronic keyboards	Digital video disc players	Electronic mice	Digital video disc recorders

Highlights of this new program include:

- Electronic devices will be picked up by appointment only on Tuesdays in conjunction with regular refuse collection. To schedule a pick-up, residents must call NuWay Disposal at (708) 479-9555, or fill out an online request by [clicking here](#). (*Unscheduled items will not be collected.*) Residents must place scheduled electronic items at the curb on their scheduled day, apart from refuse and recycling totes.
- A maximum of four (4) televisions and/or computer monitors per year per address are allowed.

*Continued on next page...*

- A minimum of three (3) covered electronic devices (excluding televisions and computer monitors) is required before scheduling a pick-up with NuWay.
- All single family residences, condominiums, townhomes, and apartments will see a \$0.50 per month increase to the refuse portion of their Village utility bill starting with the August 2016 invoice.

If you have questions regarding an item's eligibility to be recycled, or to schedule a pick-up, please call NuWay Disposal at (708) 479-9555, or [click here](#).

**The Electronic Recycling drop-off center in Mokena is no longer open.**
